

# SITECH CENTRAL SERVICE CENTER

YOUR CONSTRUCTION TECHNOLOGY PROVIDER

[SITECH-Central.com](http://SITECH-Central.com)

**Certified Service Center**

SITECH Central has invested in a fully equipped service center staffed with factory-trained and certified service technicians. We have stocked a large inventory of repair parts, which allows us to provide quick turnaround times for most repairs.

**SITECH Central is your first contact for technology solutions in the heartland.**

**Maintenance & Repair**

Quality technical support is essential for maximizing the productivity and reliability of your instruments and systems. Reduce your downtime and prevent unforeseen repair costs with periodic calibration and preventive maintenance from SITECH.

**As a Trimble authorized service provider, we offer a wide range of technical services, including:**

- Preventive maintenance
- Certification services
- Repairs
- Calibration
  - › *Look to SITECH Central for a calibration checkup prior to your next big job*
- Annual Firmware check/upgrades
- Software updates

**SITECH Central specializes in repairs on the following equipment:**

- Trimble Total Stations
  - › *It is recommended this be checked annually*
- Receivers
- Radios
- Base Stations
- Data Collectors
- Machine Displays
- Lasers
- Laser Receivers
- Electric Masts

**Need Service?**

Not only does our team offer in shop services, but we also have a field service team to better serve you! Contact SITECH Central today to schedule your repair and preventative maintenance needs.
